Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 26 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and rather cloudy. Mild and quite windy.

Today:
Mainly cloudy with rain at first, soon clearing away. Then mostly dry with a few brighter interludes developing, especially in the east. A milder day with fresh or strong southwesterly winds. Maximum temperature 16 deg C (61 deg F).

Tonight:
Cloudy and very mild with rain extending to all parts early tonight. Rain will become persistent and heavier for a time then drier weather following to many areas by morning. Minimum temperature 12 deg C (54 deg F).

Wednesday:
Many places will be drier and brighter with a few showers. Rather cloudy over southern parts of Antrim and County Down with rain lingering, clearing during afternoon. Mild and breezy. Maximum temperature 16 deg C (61 deg F).

Outlook for Thursday to Saturday:
An unsettled few days with showers or even some longer spells of rain, heavy at times. Temperatures staying on the mild side with fresh or strong southerly winds.
